To each and everyone of you we extend a warm welcome to our first sale. All of the cattle selling in the sale are of our own breeding, which makes us especially proud. We know that they will do well for the new purchasers as they have done well for us.

In our breeding program, we have endeavored to breed cattle that have the ruggedness, size, and scale to do well for their purchaser.

The bull offering has been developed this last summer on grass with a limited amount of concentrate. We recommend them highly.

We are looking forward to having you as our guests at the sale, and should you care to view the cattle the day before, they will be available for inspection the 19th.

Cordially,

"The Lovely Family"
